No. 3104/286. Encl: one.

Office of the Inspector General of Forests and Plantations Mysore Dated Bangalore 25th February 18

From The Inspector General of Forests and Plantations

To The Chief Secretary to the Dewan of Mysore

Sir,

I have the honor to state that the experimental timber Depôt has now been opened at Satrepalam, as contemplated in para 5 of my letter No 3056/216 dated 1st March 1890, printed with Government Proceedings dated 19th August, No 5738 Cir: 1

The Forest Officer proposes and the Conservator supports the entertainment of a Mutsuddy on Rs 10 and a peon on Rs 5 for the management of the said Depôt. — It is further proposed to introduce the same selling rates as are in force in the Lakkavalli Depôt. — I regard the proposals as well considered and accordingly submit them for sanction.

2 — But the question is whether the Forest

Forest or the Amrut Mahal Department has to bear the cost of Depôt Establishment and the working expenses. - The Forest Department has also to attend to the re-generation of the Forest and to the cultivation of teak and Sandal in particular, in parts of the Raval. - If the Amrut Mahal Department should be debited with all such charges inclusive of proportionate cost of supervision, that Department should also be credited with all receipts from the Raval Forest. - Separate accounts will necessarily have to be kept in the Executive Forest Office and the same embodied in the several monthly accounts submitted to me. - A detailed account will have also to be furnished to the Amrut Mahal Officer, who has alreaoy called upon me for a Statement shewing the amount realized in each Amrut Mahal Raval from fuel supplied to the Railway and timber or other Forest produce

produce collected by the Fore
during the past three years
Government may see, will
complication in accounts ap
question whether the Forest
should not claim a commis
revenue it realizes for the
Mahal Department. - C
I beg again to invite the
of Government to my No 25
December 1888 forwarding C
No 2535/403 of the same date to
of the Aumti Mahal offi
is the chief item of Forest
and the exploitation of st
wherever they grow whether
waste, or Aumti Mahal la
by the Forest Department
sale proceeds therefrom ar
credited to that Departme
manner, timber and othe
Forest produce in Aumti M
which are to be treated as D

for such purposes, may be dealt with by the Forest Department bearing the cost of exploitation and of Depôt Establishment.- In para 5 of my letter quoted in paragraph 1, I submitted that for the systematic management of the Kawals referred to, the Aumti. Mahal Department should bear the whole or moiety of Conservancy establishment charges, the same being met from the Serige fees collected by the Forest Department.- This was the understanding between me and the Aumti Mahal Officer as will be gathered from his letter No 99, dated 21st August 1889 (Copy enclosed).- Under the circumstances of the case, I beg the Government may be pleased to reconsider the orders contained in para 1 of its Proceedings above cited, and direct that only collections from grazing or of Serige fees be assigned to the Aumti Mahal Department after

after deducting the charges of the Conservancy establishment already sanctioned. — I have no objection to the moiety of these charges being debited to the Forest Department in as much as the Conservancy establishment will be employed on Forest work also. —

I have the honor to be,
Sir,
Your most obedient Servant,

S Ricketts

Inspector General of Forests

No. 99 | Amrut Mahal Office
Dated 21st August 1889.
Despatched 22d

To.

The Inspector General
of Forests and Plantations
in Mysore
Bangalore.

Sir,

With reference to your Memorandum dated 2nd August 1889 forwarded with your No. 1095/239, I have the honor to State that I approve of your proposal for the Forest Department to take over the entire management of the Serige portions of the Yemmedodi Kaval under the terms mentioned in para 3 of the Memorandum alluded to in the above; but I would remark that the cost of the Establishment proposed, viz:— 6 watchers at 4 or 5 Rs. each and a Mutsaddy on Rs. 8 or 10. per month, appears to be Somewhat too heavy Considering the amount that will be realized by the Sale of grass.

2. The portion (D) referred to in

in para 4 of the Memorandum may be reserved against grazing also, provided it does not form part of the interior of the Kaval as in that case the Government Cattle will have to graze there. There can also be no objection to the Several portions of the Kaval being carefully reserved and reckless felling stopped. Amrut Mahal officials will have to be allowed to cut wood and branches for putting up Enclosures or Ropes for branding and mustering the cattle.

3. As regards starting the work of plantation both in the Yemmedodi and Birur Kavals, I beg to invite your attention to the 2nd para of my letter No. 63 dated 31st May 1889.

4. It has been reported by the Saroga that the Serisi portions of the Yemmedodi Kaval have already been let out for the current year for Rs. 500. This will not prevent the arrangements regarding the due conservancy of the Kaval being

being carried out by the D
partment. In the event of the
any of the blocks not having
paid up, in accordance w
terms of sale, orders will be
to the Daroga to intimate
. Chasers that the sale will
: celled, and such blocks w
be placed at the disposal o
Department. All future de
be stopped.

I have the honor
Sir,
Your most obedient s

OFFICE OF THE INSPECTOR GENERAL OF FORESTS AND PLANTATIONS IN MYSORE.

Dated 27th December 1893.

From

The Inspector General of Forests and Plantations in Mysore.

To

The Chief Secretary to the Government of Mysore.

SIR,

With reference to my letter no 3104/286 dated the 25th February 1891 and reminder no 9/7 dated the 6th July of the same year, on the subject of the establishment of a timber depôt at Sacrepatna, I have the honor to forward copy of this office docket no 1762/161 dated the 7th instant to the Deputy Commissioner, Kadur, and of his reply thereto, no 391 dated 18th idem.

2. As both the District Forest officer and the Deputy Commissioner consider the proposed Depôt at Sacrepatna to be unnecessary owing to the recent trial of the Birur Depôt to Kadur, I beg to withdraw my recommendation in that behalf.

The reference will be eliminated from my list of unanswered

Now that the Depôt at Birur has been transferred to Kadur, has the honor to enquire if it is still necessary to have a Depôt at Sakrepatna which is only 9 miles to Kadur as proposed in his No. 1653, dated 4th February 1891. An early reply is requested as the reference made to Government in that behalf is still pending disposal.
